INSURANCE DIVISION

The Bureau of Insurance was established by legislative enactment on March 21, 1873. From that date to the year 1913, the State Treasurer was ex-officio Insurance Commissioner. By Chapter 1, House Bill 55 of the General Assembly of 1913, the offices of the State Treasurer and Insurance Commissioner were separated. The Act created a separate Department of Insurance and provided for the qualifications of the Commissioner and his appointment by the Governor for a term of four years.

The Insurance Commissioner's report for the calendar year 1980 includes statistics compiled from abstracts of the Annual Statements and is published in tabular form, giving analysis, classification and summary of items comprising the Assets, Liabilities, Surplus, Gain and Loss Exhibits. The figures given of companies of Tennessee and other states and countries are those submitted by the companies in their annual statements under oath, except where changed by the Department audit or by request of the companies. The annual statements and schedules of all companies are on file in the office of the Insurance Department subject to public inspection.

As of December 31, 1980, there were licensed and transacting business in Tennessee the following number of companies or organizations:

CONSUMER AFFAIRS SECTION—YEAR 1980

The Consumer Affairs Section of the Department of Insurance assists policyholders, their beneficiaries and claimants in receiving fair and reasonable treatment in accordance with contractual provisions from insurance companies and their authorized agents. All inquiries are responded to, complaints investigated and appropriate actions are instituted where merited.

This Section serves as the investigative arm of the Department in monitoring the activities of agents throughout the state. Upon request, the staff assists local prosecuting attorneys in criminal cases where insurance companies and their agents are involved.

The Consumer Affairs Section is staffed as follows: a Director, one Supervisor, two Insurance Projects Officers, eleven Investigators, two Insurance Regulation Technicians, and five secretaries. District Officers are maintained in Memphis, Jackson, Chattanooga, Knoxville, Johnson City in addition to the Nashville Office.

The report for this Section for 1980 is as follows:

RATING SECTION — JANUARY–DECEMBER 1980

The Tennessee Insurance Law requires that rates charged by property and casualty insurance companies in the State must be "fair, reasonable, adequate and not unfairly discriminatory." The Rating Section makes all legal and actuarial determinations involved with the filings from property and casualty companies and rating bureaus and reports to the Commissioner its findings.

The Rating Section has licensed the following rating organizations to make rates, rules and rating plans in accordance with the provisions of Chapters 104 and 142, Public Acts of 1945, for use in Tennessee, and such organizations are as follows:

American Association of Insurance Services
Automobile Insurance Plans Service Office
Crop-Hail Insurance Actuarial Association
Factory Mutual Service Bureau
Hail Information Services, Inc.
Insurance Services Office
Mill and Elevator Rating Bureau
National Council on Compensation Insurance
Nuclear Insurance Rating Bureau
Surety Association of America

The Rating Section has received filings in accordance with the provisions of Chapters 270 and 279, Public Acts of 1949, from the following advisory organizations which permits them to assist insurers or rating organizations in rate making by the collection and furnishing of loss and expense statistics or by the submission of recommendations, but do not on their own make filings:

Alliance of American Insurers
All-Industry Research Advisory Committee
American Nuclear Insurers
Cotton Fire and Marine Underwriters
Cotton Insurance Association
Fire Insurance Research and Actuarial Association
Highway Loss Data Institute
Independent Mutual Advisory Organization
Industrial Risk Insurers
Inland Marine Underwriters Association
Mill Mutual Fire Prevention Bureau
National Association of Independent Insurers
National Committee on Property Insurance
National Independent Statistical Service
Underwriters Grain Association
Underwriters Service Association
Uniform Forms Committee of Uniform Printing & Supply Company

During 1980 the Rating Section received 3190 filings on which the following action was taken:

DIVISION OF FIRE PREVENTION

The Division of Fire Prevention, also known as the State Fire Marshal's Office, is administered by the Commissioner of the Department of Insurance in his capacity as State Fire Marshal, through the Assistant Commissioner for Fire Prevention and other staff members.

This division initiates statewide fire prevention programs; investigates origin and circumstances of fire; prosecutes the crime of arson and related offenses; regulates liquified petroleum gas installation, mobile home and recreational vehicle construction, gasoline bulk plants, manufacture and sale of fireworks; and prosecutes violations of the respective statutes.

The division also supervises electrical inspections; inspects public buildings for fire safety; and develops and maintains extensive public education programs which promote fire safety and prevention through school assembly programs, the media and specialized training programs.

The Division is organized into six sections: Administration, Fire Safety Inspection, Fire Protection Engineering, Arson and Fraud, Electrical Inspection, and Mobile Home Section.

The Fire Prevention Division produced the following revenue for the Year of 1980:

Administrative	169,477.12
Fire Marshal's Tax	2,094,573.63
Fire Prevention Section	40,909.00
TFIRS Grant	22,500.00
Mobile Home Section	170,618.27
Electrical Section	1,218,517.00
	$3,716,595.02

This Division through the Budgetary process used $2,809,476.01 of this amount for the operation for 1980.

ADMINISTRATIVE SECTION

This section performs the general administrative duties as required to maintain organization and coordination among the various sections of the Division of Fire Prevention.

The duties include mail distribution, procurement and distribution of supplies and dissemination of information and policy. This section regulates the fireworks industry in the State by issuing permits to manufacturers, distributors, jobbers, wholesalers, and retailers of fireworks. In 1980 — $169,477.12 in permit fees was collected as state revenue. *Fireworks fees increased $100,000 from 1979 to 1980.*

Fireworks Permits		$169,477.12
Manufacturer	3,000.00	
Distributor	83,250.12	
Jobber	59,250.00	
Wholesaler	4,250.00	
Retailer	19,625.00	
Overpayment	—	
Display	102.00	

This section, under its information and Education Group, also conducts a progressive fire safety program throughout the state. During 1980, 219 programs were conducted in schools and senior citizens centers in 95 counties. These programs reached 44,384 youth and senior citizens.

This Section also maintains a film library that consists of various slide presentations and forty-five (45) 16MM films. These films are used upon requests from the various fire departments, schools, senior citizen groups, for a period of ten days at a time. Approximately one-half of the library is used each two weeks.

ARSON INVESTIGATION SECTION

The Tennessee Arson Investigation Section is the investigative arm of the State Fire Marshal's Office. This section investigates the cause, origin and circumstances of complex fires, explosions, and other criminal acts where a fire or explosion is involved, investigates all deaths caused by fire or explosion.

This section plans and organizes Arson Investigation Programs within the state; conducts training programs and seminars for local and federal agencies involved in arson investigation and fire prevention. It also enforces state statutes on explosives, fireworks and investigates fire insurance fraud claims, presents reports and information to District Attorney General for prosecution, and makes arrests for violations where necessary.

Five district offices are maintained across the state located in the major cities for convenience and efficiency.

Revenue:

No State Appropriations — All revenue received and used is earned by penalties, fees, or forfeitures, and collection of the 3/4 of 1% premium tax on fire insurance premiums collected in Tennessee and credited to the Fire Prevention Fund for maintenance of this division as specified in T.C.A. 53-2439 and 53-2441.

The following schedule reflects the number of arson investigations conducted during the year 1980 and the results of cases prosecuted.

FIRE SAFETY INSPECTION SECTION

The Fire Safety Section is charged with the responsibility of enforcing the National Fire Protection Association Codes (especially the "Life Safety Code") for the purpose of protecting the citizens and property within the State of Tennessee. The Division of Fire Prevention adopted the 1976 edition of the Southern Standard Building Code and Volume 1 thru 16, National Fire Protection Code effective September 16, 1976.

On July 1, 1980, the responsibility for review of plans and inspections of Hospitals, Nursing Homes, Home for the Aged, and institutions for Mental Health and Mental Retarded, was transferred to the Department of Public Health, Division of Health Care Facilities, by Executive Order of the Governor.

On October 1, 1980, the engineering section having been reduced because of a reduction in positions, was assigned to the Fire Safety Section under supervision of the Chief Fire Safety Inspector.

The Fire Safety Section consists of a Chief Fire Safety Inspector and two subsections that include fifteen (15) inspectors and a plans reveiw section consisting of three fire protection specialists. Those subsections are supported by a minimum number of secretaries, typists and file clerks.

The fire safety inspectors conducted a total of 5,234 fire safety inspections for code compliance, investigated 20 complaints, held 2,799 fire safety code conferences with Architects, Contractors, Superintendents and Owners, and conducted 289 code surveys on new construction.

The plans review section reviewed a total of 129 sets of preliminary and 132 sets of final plans submitted by Architects on institutional and educational facilities. A retired sprinkler engineer consultant was contracted to review sprinkler plans for code compliance for a variety of occupancies. Total number of sprinkler plans reviewed for the calendar year 1980 consisted of 133 sets of plans.

During the calendar year 1980, this section collected the following revenue:

Explosives Certificates of Registration	$21,889.00
Liquified Petroleum Gas Dealers Licensed	18,530.00
Handicapped Code Books	490.00
Total	$40,909.00

During 1980, several new developments occurred in the Tennessee Fire Incident Reporting System (TFIRS). This was the first full year that the program was totally operational. During 1979, a pilot project was conducted to test the computer systems and collection methods. In 1980, 38 Fire Departments from all parts of the state were selected and trained in use of the TFIRS system. All 38 of these departments submitted copies of their TFIRS fire and casualty reports during the year. In return, these departments were given quarterly and year-end computerized reports of the fire situation in their respective areas. This information has in turn been used to develop state-wide statistics for use in analyzing the over-all fire problem, in Tennessee.

The 38 Fire Departments that were reporting as of December 3, 1980, represent only 10.1% of the state's 375 total fire departments. The population protected by these departments equals only 17% of the total population for the State of Tennessee. As new departments are continually being trained and start reporting, more time is needed to manage the system and less time is available to train new departments. With existing manpower and equipment it will be impossible to have more than 100 Fire Department on TFIRS. This would represent less than 30% of the state's fire departments and approximately 50% of the population. Currently we have a backlog of 96 departments who wish to participate in the program.

During 1980 we applied for and received a grant of $22,500 for use in developing a quality control program within TFIRS. This grant, from the U.S. Fire Administration's National Fire Data Center, will insure that the data collected by the TFIRS is accurate and reliable.

MOBILE HOME SECTION

This section is responsible for State Administration and enforcement of The Uniform Code For Factory Manufactured Structures And Recreational Vehicles and The National Mobile Home Construction And Safety Standards Act. This section also regulates manufactured structures industries by licensing manufacturers, dealers and anchor installers doing business within the state, performing in-plant production line inspections of mobile home and recreational vehicles during their construction, and performing inspection of completed units on dealer lots.

This section also participates in the HUD Mobile Home Program which includes mobile home consumer complaint handling within the State of Tennessee as a HUD Approved State Administrative Agency.

ANNUAL REPORT — 1980

The Division is charged with the regulation of the non-bank financial institutions, cemetery related trust funds, pre-need cemetery and funeral sales, premium finance companies and state chartered savings and loan associations.

The Division is functionally organized into three sub-sections. Each sub-section operates under the general guidance of the Director, who reports to the Commissioner.

DIVISION OPERATIONS

The following table summarizes the activities of the Division over the last three years.

ACTIVITY	1978	1979	1980
Financial Registrants	701	817	812
REVENUES			
Operations	$ 181,050	$ 206,050	$ 234,900
Tax Collections	$1,403,602	$1,592,358	$1,729,769

Over the past three years, the revenue producing caseload has remained relatively constant. However, expenses have increased. This increase is due to staff increases, costs of materials and rent and salary increases.

The tax decrease is due to a change in the tax laws, whereby monies collected will be received by and credited to the Department of Revenue instead of the Loan Division.

RECENT ACTIVITIES

During 1977 and 1978, the interest laws and statutes regulating the non-bank financial institutions were rewritten and updated. These changes clarify and simplify the regulation of these companies.

FINANCIAL INSTITUTIONS

The modernization of the laws effecting lending institutions has greatly clarified Tennessee law and simplified the regulatory process. Further actions, such as new rules and joint examination with federal examiners, under similar statutes and guidelines have reduced compliance problems, description of business and eliminated duplication of regulatory efforts. Finance company registrants have been increasing at a rate of 10-15 per year over the last few years.

The continued high cost of money may reverse this trend to the detriment of the general public.

CEMETERY REGULATION

This Division is charged with the enforcement of the Tennessee Cemetery Act of 1968 as amended, and also the Cemetery Merchandise and Services Act of 1979.

Since its inception we have registered 99 companies for pre-need sales. In the past year, we have caused to be placed in receivership four companies for lack of compliance to the perpetual care fund and are now in the process of further investigations.

The Division also reviews over $25 million in perpetual care funds from 157 cemeteries. At the present time we are involved in a study of cemetery law and any changes which could be made for the benefit of the industry and the state in an administrative capacity.

INSURANCE PREMIUM FINANCE ACT

This Act was passed in 1979 with a one year sunset provision that was removed by the 1980 legislature. No appropriation was made for its enforcement by the Division.

PRE-NEED FUNERAL SALES

Hearings have been going on for some time on a final rule which will be administered by the Loan Division on all pre-need funeral sales under T.C.A. 62-532.

SECURITIES DIVISION

ADMINISTRATION
EDWIN M. WALKER — Director
DAVID N. BURN — Staff Attorney

SECURITIES REGISTRATION
MATTHEW B. PILCHER, JR. — Chief of Securities Registration

INDUSTRY REGISTRATION
CATHERINE L. ROGERS — Chief of Industry Registration

ENFORCEMENT
WILLIAM O. MITCHELL — Chief of Enforcement

SECURITIES DIVISION

The Division is charged with regulation of the securities industry. There are three sections under the supervision of chiefs who report to the Director, who in turn reports to the Commissioner.

SECURITIES REGISTRATION

The Securities Registration Section processes applications for registration of new issues of non-exempt securities. Registration statements are reviewed to determine whether they meet minimum standards as to disclosure of material information and as to fairness and reasonableness. No effort is made to investigate the facts provided by the Registrant. The Section also responds to requests for no-action letters and requests for interpretative opinions.

The following table summarizes the activities and results of this Section:

	1977	1978	1979	1980
Number of New Registrants	855	980	1,163	1,365
Renewals*	422	336	422	452
Fees	151,873	193,870	262,837	557,310
Staff	4	4	4	4

*Estimated

During the last three years registrations have increased at an annual rate of over 18%. Currently each examiner must handle a case load of more than 680 new issues. To deal with this caseload the Division has by rule adopted a three-tier system of review designed to concentrate its resources on those issues requiring careful review. It has adopted uniform guidelines for review. Public availability of such guidelines speeds the process by enabling issuers to plan their offerings to meet minimum standards, or to provide justification for deviations at an earlier stage of the process.

INDUSTRY REGISTRATION

This Section is responsible for registration and regulation of securities broker-dealers and their salesmen, and investment advisers. Applications for registration are carefully reviewed both as to adequacy and accuracy, in an effort to maintain minimum standards for participants in the industry. The following table summarizes the Section's activity:

Registrants	1977	1978	1979	1980
Broker-Dealers/Investment Advisers	489	497	520	571
Agents	3,969	4,421	4,000	5,748
Revenues				
Fees	123,230	135,670	137,890	303,080
Examinations	—	—	170	795
Staffing	2	2	3	4

The number of dealers has remained relatively constant for the past five years increasing at a 7% annual rate. The increase of 15% in agent registration from 1979 to 1980 is attributed to improved market conditions.

During the past year this Section has continued working with other states and the National Association of Securities Dealers, Inc. on a program to automate much of the processing currently done by hand. If this program is successful it will speed up registration and renewals for the industry, and will enable the Division to engage in greater direct regulation. This system is expected to be implemented in 1981.

ENFORCEMENT

This Section is responsible for enforcement of the anti-fraud provision of the Securities Law. It investigates complaints from investors, follows up leads provided by other regulatory agencies, and initiates investigations based on information from informants. Cases are developed wherever possible for administrative, civil or criminal proceedings. In 1980, 39 investigations were initiated. One case was referred for criminal prosecution. One Broker-Dealer license was revoked, one Agent license was revoked, and one Agent application was denied. Two hearings were held. There were six Consent Orders with Cease and Desist suspensions, and there was one Show Cause Order issued.

LEGAL SECTION

There are three staff attorneys working for the Regulatory Boards. One staff attorney handles primarily rules and legislation for all the Regulatory Boards, the other two attorneys handle board meetings and hearings. The staff attorneys primary duties are:

(1) to prepare and try contested cases initiated by the filing of charges against licensees;

(2) to draft legislation and rules concerning the operation of the Regulatory Boards, and the businesses and professions which they regulate;

(3) to conduct rulemaking hearings and attend legislative committee meetings at which matters pertaining to the Boards are considered;

(4) the attorneys attend monthly board meetings of the fourteen Regulatory Boards for the purpose of answering legal questions and otherwise helping to guide the proceedings;

(5) the attorneys also respond to a large volume of legal inquiries from consumers, affected businesses, and counsel for respondents in contested cases;

(6) review all proposed contracts which the Regulatory Boards are a party; and

(7) act as a liaison between the Boards and the Offices of the Attorney General and Secretary of State.

INVESTIGATIONS SECTION

On October 1, 1979, a complete Investigative log and accounting system was established. Each investigation is logged in a master log book, assigned a control number and the assigned investigator is identified. Accurate and complete records are being kept and are always readily available. In January 1980, an additional reporting vehicle, the Investigative Memorandum, was established and has proved very effective. It provides a method of reporting any type information without a formal complaint. Although it can be and has been used as the basis of a formal hearing, its formal nature makes it extremely flexible. It does require an additional log system. In addition to the above, this Section has established contact and rapport with District Attorneys across the State. This action has resulted in assurance of support and cooperation at local levels for our efforts. The following statistics for the Investigative Section are based on the Fiscal Year 1, July 1979 through June 30, 1980.

TENNESSEE STATE BOARD OF ACCOUNTANCY

In 1913, Tennessee became the twenty-fourth state to enact a law to regulate and license accountants. This first law was repealed and a new one passed in 1926, and in 1939, a new law without a restrictive clause was enacted.

Currently there are seven (7) board members appointed by the Governor. The Board directly regulates the actions of Certified Public Accountants, and must approve the actions of the Administrative Committee of six (6) public accountants which are appointed by the Board. The Boards functions are to: (1) administer the accountancy act and rules and regulations; (2) determine the qualifications of C.P.A. candidates; (3) conduct written examinations of candidates; (4) adopt and enforce rules of professional conduct; (5) collect examination and renewal fees from applicants, and issue certificates and renewals; (6) issue reciprocal licenses; (7) revoke or suspend certificates for violations of the accountancy law, after a hearing; (8) maintain a roster of all C.P.A.'s and P.A.'s to be published annually.

The Administrative Committee is responsible to the board: (1) to receive and investigate complaints and to initiate and conduct investigations or hearings, with or without complaint, of any violation of the accountancy law by public accountants. (Investigations may be by Division Investigation Section); (2) to pass on the qualifications for licenses to practice as public accountants; (3) to set fees for examinations to practice as public accountants, subject to the approval of the Board; (4) to adopt rules of procedure which are to be approved by the Board; (5) to prepare an examination for public accountants, cause it to be graded, and certify the results to the Board; (6) to make recommendations and forward reports to the Board.

During the fiscal year 1979-80, the production activity of the Accountancy Board was:

Activity	Number
C.P.A. Certificates Issued	491
Reciprocal Certificates Issued	74
P.A. Licenses Issued	24
No. of Applicants Sitting for Examinations	2,436

STATE BOARD OF ARCHITECTURAL AND ENGINEERING EXAMINERS

The State Board of Architectural and Engineering Examiners was originally created by Publicts of 1921, to assure that only properly qualified persons shall practice architecture and engineering in this State. Public Acts of 1975 completely rescinded the old statutes governing the Board and replaced them with a new Act. Again in 1979, Sunset Legislation brought about major revisions by an Act to restructure the Board of Examiners for Architects and Engineers and the Board of Landscape Architects by combining such boards to create a single entity, to provide a termination date for such entity under the Governmental Entity Review Law, to provide for consumer representation on such entity, to amend Tennessee Code Annotated, Section 4-2903, and to repeal Tennessee Code Annotated, Title 62, Chapters 2 and 23.

This Board consists of seven (7) members, three (3) registered architects, three (3) registered engineers, and one (1) member who is not engaged in the practice of architecture, engineering or landscape architecture. The Board is required to appoint a committee on Landscape Architecture for the administration of the Landscape Architectural registration process. This committee shall be composed of one architectural Board Member, one engineering Board Member and the third member shall be a Landscape Architect.

Uniform national examinations for each of the three respective professions are administered by the Board. Tennessee candidates passing scores rank with the national and regional averages.

Please find attached a report of the production activity for the Board during the fiscal year ending June 30, 1980:

TENNESSEE ATHLETIC COMMISSION

The Tennessee Athletic Commission was created in 1935. Since 1955 the Commission has been responsible for the collection of a gross receipts tax on the admission charges to professional wrestling, boxing, and sparring matches. In 1968, legislation was enacted which required the licensing of motor vehicle race tracks. Such licensing is contingent solely upon proof of procurement of the minimum level of insurance prescribed by the statute.

There are five (5) Commissioners of the Athletic Commission appointed by the Governor. In addition to the fees collected, the Commission is responsible for prescribing the number of rounds of exhibits, the equipment, referee's duties and they mandate physical examinations for the contestants in boxing exhibitions only. Commission inspectors and physicians are at ring side.

Since the Commission's activity was determined to be responsive only to the industry and not determined to be necessary for the public health and safety, this Commission is to be "Sunset" June 30, 1980. Past performance of the year ending June 30, 1980 is shown below:

TENNESSEE AUCTIONEER COMMISSION

The Tennessee Auctioneer Commission was created in 1967, by the adoption of Title 62, Chapter 19. There are four Commissioners appointed by the Governor. Three of these appointees are required to be practicing auctioneers with at least five years experience immediately prior to their appointment. The fourth Commissioner is a consumer. The Commission meets during the months of January, April, July, and October. They are responsible for examining and licensing auctioneers and apprentice auctioneers engaged in the auctioneer industry of Tennessee.

This Commission gives a two-part, oral and written, examination. The exams are given on the first Monday of February, May, August, and November. In addition to passing the examination each applicant must have two years experience working with a licensed auctioneer or one year experience and be a graduate of auctioneer school. Statistics of production activity are as shown below for the fiscal year ending June 30, 1980.

TENNESSEE BOARD OF BARBER EXAMINERS

The first law regulating the practice of barbering in Tennessee and creating the Board of Barber Examiners was enacted by Chapter 118, Public Acts of 1929. The Board, appointed by the Governor consists of five (5) members. They are required to be practicing barbers with a minimum of five (5) years experience, however, the next Member of the Board whose term expires, will be replaced with a public Member, as amended by Public Chapter 379, acts of 1979. In 1959 legislation was passed which allowed board members to receive a salary. However, in addition to serving as board members, they also serve as inspectors until January 1, 1982, at which time the board shall perform inspections of barber schools and colleges with inspections of barber shops being performed by separate inspectors.

The Barber Board composes and grades examinations, which consists of two (2) parts, written and practical demonstration. Approximately 88% of all those examined pass the test. The Board issues eight (8) types of licenses: school, theory and practical instructors, students, technicians, apprentice, master and barber shops.

The Board is also charged with the responsibility of promulgating rules and regulations and the enforcement of its laws, rules and regulations. The Board is responsible for approving new barber schools and over all supervision of schools. The Board initiates investigations and holds hearings, after which a license may be suspended or revoked, or a person may be placed on probation under a consent order. Presently, each barber shop in Tennessee is inspected at least one (1) time per year. The performance for the year ending June 30, 1980 is as indicated:

BOARD FOR LICENSING CONTRACTORS

The first legislation regulating the construction industry in Tennessee was passed in 1931, revised in 1945, 1965, 1972, 1976, and 1977. The Board is created by T.C.A. 62-604, and is charged with administering the Act. The Board consists of seven (7) licensed contractors appointed by the Governor, for seven-year terms. It is composed of one sub-contractor, one home builder, and five (5) other licensed contractors who have had at least ten years of construction experience.

The board is responsible for approving applicants based upon experience, financial reports, letters of reference and equipment; accordingly the license is issued to construct in certain classifications, i.e., industrial, commercial, residential, and a single contract limit above which he may not bid, i.e., $100,000, $1,000,000, $2,000,000. The Board members make bylaws, rules and regulations, determine the qualifications; conduct written or oral examination; determine classifications and bid levels; revoke or suspend (after a hearing) any license or renewal granted and initiate or request investigations. The board shall meet in January, March, May, July, September, and November for the purpose of transacting business. At the January meeting of each year, the board shall elect officers including a chairman, vice chairman, and secretary.

The production activity for the year ending June 30, 1980 is:

Activity	Number
Applications & Licenses	702
Renewal Licenses	5,780
Rosters	80
Duplicate Licenses	60
Penalty	2,975

TENNESSEE COLLECTION SERVICE BOARD

Tennessee's first law regulating collection services and collection practices was passed in 1971. Title 62, Chapter 20, T.C.A., sets forth legislation for the Tennessee Collection Service Board. The board is composed of three (3) members, appointed by the Governor for three-year terms. No more than two of the members may be in the collection service industry. All are required to have been residents of Tennessee for at least five years.

The board meets annually in January to elect officers and holds other meetings at the request to two members. They formulate all public policy concerning the industry; enact rules and regulations, grant licenses to applicants that meet the requirements; refuse to grant licenses to those applicants that do not maintain complete records or sufficient funds for clients; initiate investigations; issue solicitors cards; may suspend, revoke or cancel licenses for cause; and insure compliance with the enacted legislation pertaining to the credit industry. Their activities for the fiscal year of 1980 are:

Activity	Number
Applications	40
Renewals	190
Investigations	40
Re-take Exams	60
Solicitors Cards	350
TOTAL	740

TENNESSEE BOARD OF COSMETOLOGY

The first legislation in Tennessee regulating the practice of cosmetology and creating the Board was enacted in 1939. The law has been revised numerous times; the most recent significant amendments were in 1975 and 1976. Certain persons such as duly licensed barbers, physicians, surgeons and nurses are exempt while performing functions provided by their regulations.

The Board of Cosmetology consists of five members. Each must be at least 25 years old, have been a resident of Tennessee for five years. The Board issues six kinds of licenses: student, shampooist/manicurist, operator, instructor, school and shop. They require an inspection of each shop annually. Examinations are given approximately 17 times each year and are of two parts, written and practical. Approximately 75 to 80 percent of the applicants pass the examinations annually. The work performance of the Board for the Fiscal year of 1980 is:

Activity	Number
Student Permits - Private	1,865
Student Permits - Vocational	2,555
Student Permits - Renewals	573

COMMISSION ON FIRE FIGHTING PERSONNEL STANDARDS & EDUCATION

The Commission on Fire Fighting Personnel Standards and Education was established in 1974, by T.C.A. Title 4, Chapter 24. It consists of nine members appointed by the Governor for six-year terms. The basic function of the Commission is to recommend to the Governor and the general assembly standards of performance, courses of instruction and training, and procedures for certifying levels of achievement for all fire fighting personnel.

The Commission is responsible for:

(1) Approving the training programs offered by county and municipal fire departments, both paid and volunteer.

(2) Recommending and approving curricula for advanced courses and seminars in fire science, fire engineering and training in institutions of higher education or other state supported schools; and certifying instructors for those programs.

(3) Establishing classifications based on training and education for all fire fighting personnel who desire to be certified and successfully pass the examination given by the Commission.

(4) Preparing standard examinations to test the levels of training and education of applicants for certification, and establishing a passing grade therefor.

Because it is not a mandatory program it was considered of interest to list those departments participating in the program. Recruiting is done through seminars, or open meetings, at the community colleges. As of December 21, 1980, fifteen (15) departments were enrolled in the program with approximately 1400 people involved. Eight fire science instructors have been certified.

THE BOARD OF FUNERAL DIRECTORS AND EMBALMERS

The Board of Funeral Directors and Embalmers was first created by Public Acts of 1951. It was proceeded by the State Board of Embalmers. There are five (5) board members appointed by the Governor for 4-year terms and they are charged with the administration of T.C.A. 62-500, et. seq.

The Board is responsible for the development of and enforcement of rules and regulations; for the standards of service and practice to be followed in the profession; for the examination of applicants and approval of the issue of licenses; initiating investigations and holding hearings for possible revocation of licenses. The performance of the board can be shown for the fiscal year 1980 by the following production figures:

BOARD OF EXAMINERS FOR LAND SURVEYORS

The Board consists of three (3) members, appointed by the Governor for six year terms. They are responsible for giving examinations to applicants for registration; licensing of land surveyors; determining the qualifications of persons in the industry; initiating investigations and conducting hearings of possible violations; revoking licenses when necessary; and for the annual renewal of licenses. During the fiscal year of 1980 their production activity was:

Activity	Number
Applications	211
Renewals	1,275
Re-Exams	35
TOTAL	1,521

TENNESSEE MOTOR VEHICLE COMMISSION

The Tennessee Motor Vehicle Commission was created by Public Act in 1955. The Commission consists of eleven (11) members, including two (2) public members. Their basic function is to regulate and license motor vehicle manufacturers, distributors, representatives, dealers, and salesmen, in order to prevent frauds and impositions upon the public. In 1958 the Commission was given responsibility for automobile auctions and in 1977 for automotive dismantlers and recyclers. Examinations are not required for applicants for any license.

The Commission meets at least four times per year in January, April, July, and October. They employ a Director for administrative and field representation supervision. The seven (7) field representatives handle complaints and mediate disputes between parties. Performance activity for the Commission during fiscal year ending June 30, 1980, was as shown:

Activity	Number
Manufacturers	47
Representatives	340
Dealers	5,511
Salesmen Licenses	8,112
Dismantlers & Recyclers	625

TOTAL	14,645

BOARD OF PHARMACY

The original Board of Pharmacy was created in 1893. The Board currently consists of six (6) members who are pharmacists; each is appointed by the Governor for a six-year term. The board employs a director, five (5) investigators, and clerical staff to administer the duties of the board; the director and three (3) investigators are pharmacists.

Specific duties of the board are to administer examinations to graduates of recognized schools or colleges of pharmacy applying for licensure; insure compliance with the Pharmacy Code; refuse to grant licenses or revoke or suspend licenses after conducting proper hearings; and through investigations and inspections insure that the pharmacists of Tennessee are properly dispensing drugs to the people for legitimate medical purposes in accordance with state and federal laws. The general activity of the Pharmacy Board for the year 1980 is as shown:

Activity	Number of Licenses	Investigative Actions

TENNESSEE REAL ESTATE COMMISSION

State regulation of the real estate industry began in 1915, was revised in 1919, but only required the filing of an application, paying a fee, giving a bond and paying a privilege tax. This licensing was administered by the County Court Clerks. In 1951 the legislature created the Tennessee Real Estate Commission. The Commission Code has been amended and revised several times. There are currently five (5) Commissioners appointed by the Governor each for a term of five years. Two (2) public members will be appointed to the board in 1980-81, causing the establishment of a seven (7) member board. They have a Director in charge of the administrative staff.

The basic responsibility of the Commission is to ensure protection to the public. This is accomplished by requiring and rendering competency examinations; requiring an apprenticeship for broker applicants; supervised affiliation for salesman applicants; establishing educational requirements; initiating investigations to eliminate incompetence, misrepresentation and fraud among some agents; and to help develop professionalism among real estate agents. Brokers and Affiliate Brokers are required to be bonded for the protection of the public. The Commission, after proper hearings, is empowered to revoke or suspend licenses. Their performance activity for the fiscal year 1980 is as shown:
